Statement of Provision

As a Christian community we understand the need for clear and consistent rules and guidelines that protect, govern and guide each of the communities that operate under the New Life Christian Community ("NLCC") banner. For this reason, NLCC shall have clearly defined policies that NLCC communities will adhere to.

Accordingly:

1. These policies shall be used in place of a constitution and by-laws for governance.
2. These policies are for the benefit of NLCC as a whole.
3. These policies shall be Scripturally (i.e., Biblically) correct. If the policies are found to be in conflict with the Holy Scriptures, the Scriptures shall have precedence, followed by policies revised to reflect a more clarified Biblical understanding.
4. These policies shall be clearly written for the understanding of all in the community. If the policies are found to be unclear, they will be revised for greater clarity.
5. These policies are binding to all who are a part of NLCC.

Note: the following article will be used in the event that NLCC decides to obtain non-profit (not charitable) status.

6. A constitution and by-laws shall only be used as a means to fulfill the government's requirements for non-profit status.
